Greetings aquatics families,

The Aquatics Booster Club functions as a fundraising as well as an organizing arm for all aquatics programs at Santa Barbara High School. Part of what we fundraise for are capital improvements to the pool area that are not otherwise funded by the school district. We have a list of potential projects that we would like to complete in the near future, as funding allows.

The project currently at the top of the “wish list” is to replace the old wooden bleacher seats on the pool deck with aluminum seats. I am sure you all have experienced the discomfort of sitting on these seats and leaving with splinters! In order to complete this project we are looking to raise money to pay for the new bleacher seats.

You can be a permanent part of this upgrade to the pool area with a tax-deductible charitable donation of \$100. Your donation will “buy” you a permanent seat plaque on a bleacher bench. The plaque can reflect a family member, business name, or other loved one.

Own a piece of history and show pride in our Don’s aquatics programs for years to come.

Thank you for your consideration. Please contact Jane Bartholomew, janegbart@gmail.com to reserve your seat.

Sincerely,

The ABC Board

California law and SBUSD board policies require that the donations used to fund school-related activities be truly voluntary. No student will be excluded from participating in any school-related activities because the student or their parents has not made a donation. Any suggested donation amount is also voluntary. If you choose to make a donation, you can make it any amount you deem appropriate. No donations will be returned to you if your child decides or is unable to participate in the program to which you donated.

ONCE A DON, ALWAYS A DON
