Dear Supporter of Dons Aquatics,

**THE SANTA BARBARA HIGH SCHOOL SWIM TEAM** will soon start its 2012 swim and dive season. Student athletes are practicing every day to be ready for fast races, exciting relays, and amazing dives. Dons swimmers and divers have competed in Channel League finals and many have made it to CIF meets in recent years. so we look forward to another great season!

Funding for school athletics decreases every year but students involved in sports make great scholars. The expenses for a team are considerable so we need your help. The Aquatics Booster Club (ABC) was created in 1999 to benefit every athlete by raising funds to pay for the cost of timing and public announcement systems, scoreboards and other electronic equipment, training equipment, team transportation, and related needs for our program. These otherwise unfunded costs require about \$8000 to be raised each and every swim and dive season. Please help fulfill the goals and dreams of our young athletes by donating to the Aquatics Booster Club today. Your support makes it happen - GO DONS!

Donations of \$750 or more provide an annual display of a banner in a premium location (upper deck) at the Santa Barbara High School pool, while a \$500 donation provides a banner around the pool deck, and donations of \$250 or more include your name or company name listing in the season banquet program and a Dons swim and dive team t-shirt. Donations are tax deductible as provided by law, and the ABC tax i.d. number is 91-2032676.
